RE: Pre Hearing Workshop on Management of Bluenose East ʔekwé (Barren-Ground Caribou)

Dear Renewable Resources Councils:

In preparation for the Public Hearing, the Board will hold a Pre Hearing Workshop in each of the five Sahtú communities. Board staff will coordinate and facilitate these workshops: Joe Hanlon in Délıne, Tulít'a, and Norman Wells; Daniel T'Seleie in Fort Good Hope and Colville Lake.

All parties as well as the general public will be invited to attend their community's workshop. For each workshop, the Board has received funding for full-day honoraria for 7 (seven) ʔehdzo Got'ine / Renewable Resources Council members or their representatives and a full-day consultant fee for 1 (one) interpreter, as well as funding for a meeting space and snacks for participants.

The purpose of this letter is to schedule the Pre Hearing Workshops.

Please contact me with the following information:

- 1. The date(s) your organization is available for a 1-day pre hearing workshop.**
- 2. Any feedback on the draft agenda (see page 2 of this letter).**
- 3. Any feedback on any other details of the workshop (funding, participants, etc).**

I will be following up on this letter with a phone call to each of your offices and presidents this week. Thank you for your time!

Sincerely,

Joe Hanlon
