Background

On September 11, 2023 the SRRB invited individuals and organizations interested in participating in the Tłegóhłı (Norman Wells) 2024 ʔelets'ėhkwe Godı (Public Listening Session – PLS) as a registered Party to register with the SRRB for the third Public Listening Session which will take place in Tłegóhłı (Norman Wells) to address the central question, “What should people’s role be in addressing the impacts of climate change and wildfires on caribou?” The deadline for party registration was October 27, 2023.

The Tłegóhłı 2024 PLS is the third Public Listening Session in a series of five and will continue work done in the first and second Public Listening Sessions to develop decisions and recommendations about how we will continue to live with caribou in the Sahtú region.
