

Sahtu Renewable Resources Board Public Hearing – Information Requests November 9, 2007

Background

Section 13.8.21(b) of the Sahtu Dene-Métis Comprehensive Land Claim Agreement requires the Sahtu Renewable Resources Board (SRRB) to conduct a public hearing before making any decisions about establishing a total allowable harvest for the Bluenose-West Caribou Herd in the Sahtu Settlement Area. The SRRB will be conducting a public hearing November 21-23, 2007 in Fort Good Hope to hear from all affected and interested parties about establishing a total allowable harvest to reduce harvesting on the Bluenose-West Caribou Herd. This hearing will also allow parties an opportunity to express their views on barren-ground management in the Sahtu Settlement Area.

Information Requests

The purpose of this Information Request is to provide the SRRB with additional information for its consideration prior to the hearing. All registered participants will receive copies of all information filed with the SRRB in response to these questions.

This Information Request is directed to:

- Government of the Northwest Territories, Department of Environment and Natural Resources

The deadline for filing responses with the SRRB is Friday, November 16, 2007, at 5:00 pm. All responses are to be filed in written and electronic format (director@srrb.nt.ca) to facilitate distribution of information to all participants.

IR Number: 2.1

**To: Government of the Northwest Territories, Department of
Environment and Natural Resources (ENR)**

Subject: Bluenose-West Caribou Herd

Preamble

Further to the information request of 22 October 2007, the SRRB requires more information about the Bluenose-West Caribou Herd.

Request

1. Please provide all reports (published and draft) on the Bluenose-West Caribou Herd along with all of the WMIS database information since 2000.
