Dear Mr. Jackson:

Support for Dehlá Got'ıneᑦ Community Conservation Plan

Thank you for your letter dated April 10, 2021 regarding the Dehlá Got'ıneᑦ Community Conservation Plan. I value the Fort Good Hope Renewable Resources Council's input on this important topic, and appreciate the importance of your plan to consult with participants in Fort Good Hope to ensure that they understand and are in agreement with the Plan.

I am currently reviewing the final decision of the Sahtú Renewable Resources Board (SRRB). As per Section 13.8.28 of the Sahtú Dene and Métis Comprehensive Land Claim Agreement, there is no option to extend the timeline for the Minister's final response, which will be provided on or before April 30, 2021.

Once you have had the opportunity to discuss the development of the Plan with participants in Fort Good Hope, please contact Ms. Heather Sayine-Crawford, Director, Wildlife and Fish Division at Heather.Sayine-Crawford@gov.nt.ca or by phone at (867) 767-9237 ext. 53230 if you have any questions.

Sincerely,

Shane Thompson
Minister
Environment and Natural Resources
